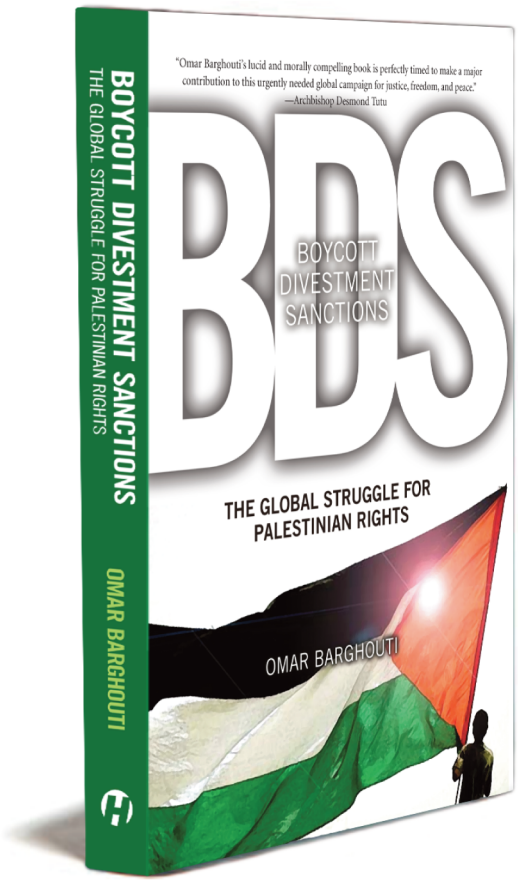
NATIONAL SPEAKING TOUR *and* BOOK RELEASE

BOYCOTT DIVESTMENT SANCTIONS

The Global Struggle *for* Palestinian Rights

featuring

OMAR BARGHOUTI



International boycott, divestment, and sanctions (BDS) efforts helped topple South Africa's brutal apartheid regime.

In his new book, Omar Barghouti makes the case for a rights-based BDS campaign to stop Israel's rapacious occupation, colonization, and apartheid against the Palestinian people. This convincing collection contributes to the growing debate on Israel's violations of international law and points the way forward to a united global civil society movement for freedom, justice, self-determination, and equality for all.

OMAR BARGHOUTI is an independent Palestinian commentator and human rights activist. He is a founding member of the Palestinian Civil Society Boycott, Divestment and Sanctions (BDS) campaign against Israel.

"Omar Barghouti's lucid and morally compelling book is perfectly timed to make a major contribution to this urgently needed global campaign for justice, freedom and peace."

—Archbishop **DESMOND TUTU**

"No one has done more to build the intellectual, legal, and moral case for BDS than Omar Barghouti. The global Palestinian solidarity movement has been transformed and is on the cusp of major breakthroughs."

—**NAOMI KLEIN**, author of *The Shock Doctrine*
